Mission Statement

Our school's purpose is to change educational outcomes. Since 1971, West End Academy has helped thousands of children escape from educational disaster. Our mission is to reclaim success and opportunity for students who have encountered frustration and failure in their educational endeavors. Education is not a one-size-fits-all approach and all students are individuals who have unique and specific needs. Over the years, we have learned that students need one thing, a chance. This chance is one to grow and thrive to become successful individuals in all aspects of life. We strive to teach children academically and on the foundation of Christian principles, not only for today, but to give them hope for a future. We desire to bring hope back to the student and their family, as well as provide a platform for the student to build a successful sense of self-worth.

Admission Process

To begin the Admission process, you first will need to call for a consultation with the school principal. It is recommended only the parents/guardians of the student attend the initial consultation, and the prospective student attends the second consultation. If the student comes to the initial consultation, they will be asked to wait in the hallway while the staff and parents/guardians discuss the student's prior school history and the vision for the student's future schooling.

Please attempt to bring the following for the initial consultation so the best decisions can be made on behalf of the student:

- (1) Your child's transcript
- (2) Achievement test scores for all grades
- (3) Any diagnostic evaluations from current & previous schools
- (4) Completed application form (can be turned in later)

All fees are due on or before the student's first day of school at West End Academy, unless otherwise noted. Please see the fee schedule below for a listing of all the fees needed for the school year. All forms found in the Appendix of the handout are to be completed on or before the student begins classes at West End Academy.

Tuition Assistance is available to families who lack the income to send their child to West End Academy. You can find the Tuition Assistance Application in the Admission packet. We will notify you of what we are able to assist you with within two weeks of application. No individual that works directly with your child will view the application. Our financial coordinator is the only one who views this information, and the results are sent directly to you. You will also be required to sign a Tuition Assistance Policy statement. These are expectations to retain Tuition Assistance. These opportunities can be discussed more in-depth during the initial interview. Tuition Assistance through West End Academy is available on a first-come-first-need basis and may not be available later in the school year. It is also not guaranteed all year in the event that expectations to retain tuition assistance are not met.

Damage Clause

If any student causes damage to any part of West End Academy exceeding \$150 in repairs, an invoice will be sent home for the damage. Also, we currently have light colored carpet in our junior and senior high classrooms so all drinks must be in a non-spill cup, with the exception of water. A coffee cup with a lid or a drink from a restaurant with a straw do not qualify as a non-spill container. The cup must be able to be turned completely upside down and

not leak. Any drinks with a screw-on lid are the responsibility of the student to keep closed and not allow to be spilled.

Code of Conduct

Students are expected to respect themselves, other fellow students, and the teachers and staff of West End Academy. All students are required to read and sign the Code of Conduct Contract (in Appendix A) and turn it in on or before the first day they begin school at West End Academy. Vulgar language will not be permissible on campus. One offense will result in a warning. The second offense will result in a challenge specific to their abilities, such as wall-sits, box jumps, or push-ups. After continued offenses, the student will have to write a full-page paper on proper communication. When students are on the property, they may not go anywhere outside of the building unless they are traveling in a group of three (3) or more. For protection of the students, as well as the integrity of the school's values, we must not allow students to travel around outside by themselves or with only one other person. Dating is highly discouraged amongst our students as there is such a small group. Dating-like activities (hand-holding, hugging, kissing, etc.) are NOT permitted on campus and will result in disciplinary action (see discipline policy).

Dress Code Policy

West End Academy is a private school but does not require the students to wear uniforms. They do, however, have to adhere to a dress code as follows:

- No graphic t-shirts (Brands or Companies are permitted, i.e. American Eagle, Adidas, etc.)
- No pajama-style clothing
- No leggings without something worn over them that covers the bottom in all positions
- No tight-fitting or sheer clothing
- No low-cut shirts and no tube-top/belly shirts
- Natural hair colors only
- Fingernails need to be appropriate in length and well-maintained. Girls may wear non-distracting colors. Boys should not have color on their nails.
- Dresses and shorts must be no shorter than mid-thigh and shorts or pants/leggings must be worn under all dresses

- Wedge-style shoes are allowed but no other heels may be worn
- Hoodies may be worn but the hood may not be over the student's head during class.
- Hats are permitted unless they become an issue or distract the class in any way.
- Make-up may be worn by females, but not to the degree where it distracts the class in any way.
- Piercings- males- no visible piercings, female- ear piercings allowed. Please consult the principal if piercings were previously done and permanent. NOTE: This does not guarantee that they will be allowed.
- No visible tattoos. Please cover with clothing.

Disciplinary Policy

Students may receive the following as a disciplinary action for breaking any of the school's policies or procedures:

- A write-up
- A challenge specific to their abilities, such as wall-sits, box-jumps, or push-ups
- A paper on the offense
- Lunch detention
- After-school detention
- Parent-teacher conference
- A revocation of off-campus or other privilege
- In-school-suspension
- Suspension
- Expulsion

Attendance Policy

Students are expected to be at school during school hours on days where Knox County is in session, unless previously discussed and agreed upon with the school Principal. Students are allowed two (2) unexcused absences per semester with a **written notice** from a parent or guardian and up to three (3) excused absences with a **Doctor's note**. There will be no absences allowed without a note. Excessive tardiness and absenteeism will result in parent meetings, extra hours, suspension/expulsion, loss of tuition assistance, or reports to the correct authorities. It will not be tolerated.

West End Academy uses the Knox County School Calendar, for the most part, for days school is in session. For an updated calendar of this school year, please refer to the calendar provided in your admissions packet on our website.

Illness Policy

Fever

Fevers are common but and are often a signal that something is wrong. **If your child has a fever of 100.0° F, please keep him/her home. If your child develops a fever of 100.0° F while at the West End Academy, you will be called to pick him/her up.**

Our policy is that your child must remain free of fever for **24 hours un-medicated**, before returning to school. The 24 hours begins when your child's fever has broken and remains in a normal range, **un-medicated**.

Diarrhea and Vomiting

Diarrhea due to illness is highly contagious. If your child has had diarrhea, please keep him/her home. If your child has had three or more episodes of diarrhea, you will be called to pick him/her up.

If your child vomits while at school, you will be called immediately to pick him/her up. Please keep your child at home until **24 hours after the vomiting has stopped**. When children return too soon, there is a much higher rate of recurrence and contagiousness.

Medications

If your child goes to the doctor and is prescribed antibiotics for an illness, please keep your child home until they have completed 24 hours of antibiotic treatment. If your child is to receive any medication at school, please bring in the labeled bottle from the pharmacy with your child's name clearly printed on the bottle with a recent date. We can administer medicine to your child with your written and signed consent (see the office for this form).

We dispense over the counter medications as outlined on the medication. We are restricted to the dosing instructions on the package. All medications must have your child's name written on the container and must be in the stored container (i.e. you cannot bring a bag of pills and tell us to

give them one every hour.) Please bring all medication to the office and fill out the appropriate form.

COVID-19

If your child has been around anyone that is thought to have COVID-19 or has been exposed to someone with COVID-19, you MAY NOT under any circumstance bring your child to school. Even if your child is fever and symptom-free. Children can be carriers, and this is a very rapidly spreading disease. If you or your child or anyone in the child's home have the following symptoms, you MAY NOT bring them to school, and they will be sent home IMMEDIATELY.

- Fever
- Dry cough
- Difficulty breathing
- Sore throat
- Chest pain
- Loss of taste or smell

*****PLEASE SEE THE 2020 FALL REOPENING PLAN FOR SPECIFIC INFORMATION REGARDING THIS ILLNESS FOR THIS SCHOOL YEAR*****

Late Policy

If your child is going to be more than ten (10) minutes late, you must call and notify the office of your tardiness. If your child misses more than five (5) hours of class total per semester, due to unexcused reasons, they will need to stay late to make up the time. 5 hours of tardiness will result in the use of one of your child's unexcused absences.

If the students are late to class after break of lunch, they will be given a warning, and may lose a privilege. (See driver policy for more info.)

Early Dismissal Policy

If your child will need to be picked up during school hours, you must come into the office and sign them out. If someone else will be picking them up, please call the office to give us ample notice of this change.

Off-Campus/Driving Policy

Only junior and senior students are permissible to drive off campus for lunch, and they must have a **current C+ average** in **all** their current classes and parent consent. These students **must have** the Off-Campus Form signed and filled out (found in Appendix C) by a parent or guardian prior to leaving campus, and the Parent/Student Contract in Appendix E must be filled out in its entirety. We must also have a copy of the student's valid and current driver's license as well as a valid and up-to-date copy of their vehicle insurance on file. If the student's driver's license or insurance become expired or revoked for any reason, the student may not drive on or off campus until an updated and reinstated copy can be provided.

If a junior or senior student who does not have a vehicle or valid driver's license would like to go off-campus with another student, they must to also complete the Off-Campus Form with the signature of a parent or guardian giving permission for them to go with another student. A new form will need to be completed for any student they wish to go off-campus with. Copies of this form are available in the office. **No freshman or sophomore students** may go off campus for lunch, even if they live in the same household, due to the fact that off-campus lunch is an upperclassman privilege. This privilege can be revoked by the school or parent at any time. If any code of conduct or driver/rider policies are broken, this privilege will be revoked. (See driver form for more information).

Sports Policy

Team sports will be available provided a coach and location are accessible during the school year. At this time, a coach is not on staff and will need to volunteer their time to head up a team at West End Academy.

Smoking and Search of Property Policy

According to S.S. (State Statue) 39-17-1505(a), possession of a tobacco product, including vaping products, by a minor is a crime punishable for up to fifty (50) community hours. The juvenile will have to appear in court on the day scheduled, pay a fine, as well as complete the community hours assigned for the crime. It is also a crime for anyone over the age of twenty-one (21) to purchase or provide any tobacco product, including any vaping product, to a juvenile and is punishable for up to thirty (30) days in jail. Tobacco products are also not permitted on any

school property according to Tennessee State Law and is a criminal offense. The teachers and staff at West End Academy will not tolerate absolute disregard for these laws and are mandated to call law enforcement if a crime has been committed on property.

According to the Tennessee School Security Act of 1981, “Vehicles parked on school property by students or visitors are subject to search for drugs, drug paraphernalia or dangerous weapons. S.S. 49-6-4204I “Lockers and storage areas, containers, and packages brought into the school by students or visitors are subject to search for drugs, drug paraphernalia, dangerous weapons or property that is not properly in possession of a student. West End Academy reserves the right to search students and property for any of these items. Random and scheduled searches will be completed of the students’ belongings. (Please see the attached laws for more detail).

Cell Phone Policy

Cell phones will only be allowed as needed for the purpose of conducting research and completing work during class. Texting, video recording, snap-chat posting, social media posting, and any form of communication during class are not permitted. We reserve the right to take these devices if they are not being used in the correct way. We use cell-phone violations. If your child is on the device when they are not permitted or are using the device for the wrong purpose, they will be issued a cell phone violation. After two violations, they lose the privilege to have the cell phone for five (5) school days. If the student needs the phone for after-school reasons, they must make arrangements with the principal. Cell phones are also often collected before classes and kept in the teacher’s desk until the end of the class period or to be pulled out when needed for class instruction. We reserve the right to collect your child’s phone during class as needed when it becomes a distraction to their learning. If you need to contact your child, you may call the school at any time.
